OFFICE OF PETITIONS

Dear Sir:

Applicant in the above-identified application hereby petitions the Commissioner under 37 C.F.R. § 1.377 to review decision refusing to accept and record payment of maintenance fee filed prior to expiration of patent.

Applicant requests reinstatement of the above-referenced patent due to an error on the part of the Patent Office, wherein the Patent Office claims that payment of the maintenance fee was not received timely prior to the end of the six month grace period in accordance with 37 CFR 1.362(e).

12/07/2006 08:10 00000012 140460 6281035
FD:2351 450.00 DA

On February 17, 2005, Applicant received a transmission from the Office of Finance-Receipts Accounting Division with a Notification of Non-Acceptance of Patent Maintenance Fee, wherein their records indicated that the entity status on this patent was large. Applicant had authorized payment of the maintenance fee on February 3, 2005 as a small entity. Applicant responded to the Notice by transmission to the Office of Finance on March 3, 2005 with a Communication and attachments including: Postcard receipt dated October 14, 1999, Statement Claiming Small Entity Status and a Request for Refund, dated October 8, 1999.

Applicant received a Notice of Patent Expiration on October 12, 2005.

Applicant failed to respond to the Notice of Patent Expiration due to an oversight. The oversight has only now been brought to the attention of the Applicant who now wishes to petition for revival of the patent.

Applicant encloses copies of the following:

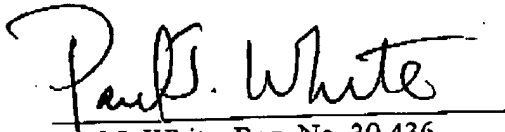

1. Transmission of the Office of Finance-Receipts Account Division cover sheet; Notification of Non-Acceptance of Patent Maintenance Fee; and the Maintenance Fee Transmittal Form [3 pages]
2. Copy of the Transmission cover sheet to the Office of Finance, which included: Communication; Copy of Notification of Non-Acceptance of Patent Maintenance Fee; postcard receipt, dated October 14, 1999; Statement Claiming Small Entity Status, dated October 8, 1999; and Request for Refund, dated October 8, 1999.
3. Postcard receipt, dated February 9, 2005
4. Notice of Patent Expiration, dated September 28, 2005.

WHEREFORE, Applicant requests the Commissioner to grant this Petition and to accept the timely payment of the first maintenance fee.

Applicant request that the petition fee be refunded if the refusal to accept and record the maintenance fee is determined to result from an error by the Patent Office. Applicant authorizes the Patent Office to charge said petition fee to Applicant's Deposit Account No. 14-0460.

If any other issues remain to be resolved, please contact the undersigned at the telephone number listed below.

STATEMENT

Applicant states that a Maintenance Fee Transmittal Form was mailed on February 3, 2005 to the Patent Office authorizing the payment of the first maintenance fee through Applicant's Deposit Account in the above-referenced patent. A postcard receipt was received in Applicant's office from the Patent Office on February 9, 2005 illustrating the Patent Office postmark. Applicant points out that the other four patents listed on the Transmittal Form where properly charged their fees. Applicant timely responded to the Office of Finance questioned on the entity status of the patent indicating that the patent had been previously declared small entity and the Patent Office was in error. Applicant states that the failure of the Patent Office to charge the maintenance fee payment resulted in the expiration of the patent and is not the fault of the Applicant.

The undersigned declares that all statements made herein are true and correct, and that these statements are made with the knowledge that willful false statements, and the like so made, are punishable by fine or imprisonment, or both, under Section 1001, Title 18 of the United States Code, and that such willful false statements may jeopardize the validity of the application or any patent issuing thereon.
